# CONVERSATIONS

“As girls walk down the halls of Archbishop Prendergast High School there is a feeling of unity, an exchange of smiles, and a casual “hello.” A new relationship is formed and will continue to grow as each day ideas about life are expressed. Closer and closer the girls become, and all because of a casual conversation. Norman Rockwell shared his views of life through his unique art. We invite you now to share in the pictorial memories of the 1980-1981 school year and to join in our conversations.”

Speak of love and new fashions,  
 Speak with gentleness and compassion.  
 Speak of a date and a dance,  
 Why won't he give me a glance?  
 For each new day brand new topics:  
 Romance, parties, and trips to tropics!

Every day it's always the same;  
 Forever we're playing the talking game.  
 It never ceases, it never stops,  
 What we do is always tops!  
 We speak of this, we speak of that,  
 All day long we chit-chat.

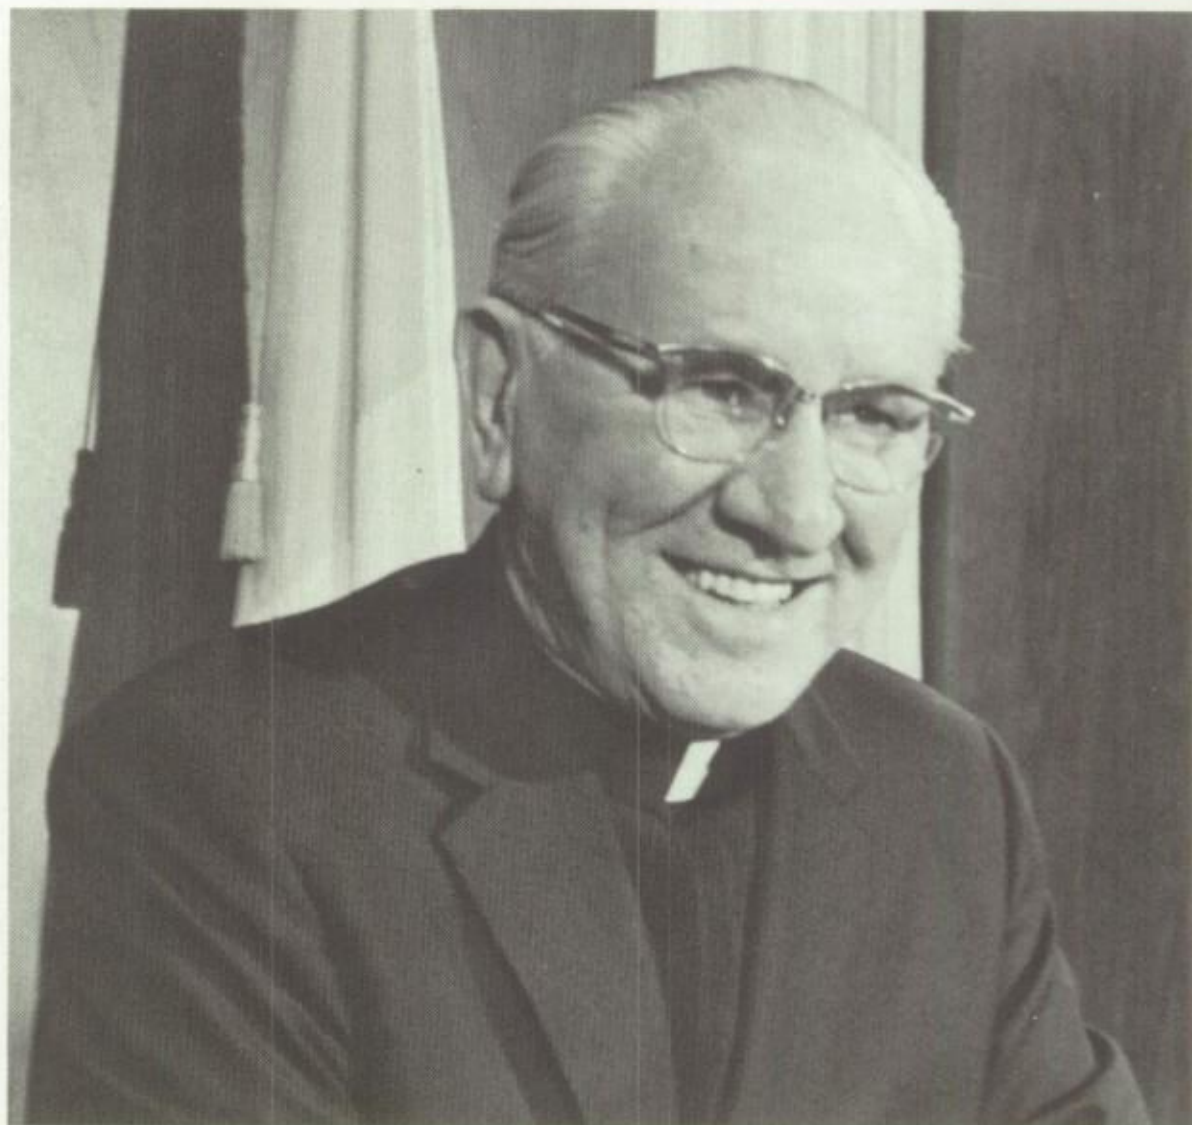

Without it life would be a bore,  
And every day we'd miss it more.  
Speak on the phone or through a letter,  
With conversation, life is better.  
Riding the trolley or taking a walk,  
It's all the same . . . GIRL TALK.

## Principal

Dear Seniors,

It is my pleasure to greet you, the Class of 1981. Congratulations on the attainment of your goals, and may your graduation be the commencement of a new life filled with many blessings and rewards. Prendie is better because you have graced us with your presence.

I think of you as young women—women who I hope are aware of the importance of your role in today's world. You can and must contribute to your family, to society, and to life, those qualities and characteristics which only women can give. Reach out and spread those womanly virtues of tenderness, intuition, dedication, and love.

I pray that Prendie's motto, "Ut sim fidelis," will see you through many days in the years to come. Challenges, demands, opportunities, and sufferings await you. However, none will be greater than the challenge to be faithful to yourself, your church, and your God.

May God be with you all the days of your life. My love and my prayers are for you.

Fondly,

Sister Madeleine Marie

## Vice Principal

Miss Mayer points out to Mrs. Jandura that Joe Bonner does not belong on our class list.

Miss Julia V. Mayer  
Vice Principal

"So, Miss Mayer, what words of wisdom can you share?"

"Well, I have only an idea that Prendergast students are a rainbow of ribbons."

"Ribbons?"

"Yes, see if you can follow my train of thought."

"To each girl I say, be a bright colored package tied up with RIBBON, with rainbows of ribbons of life. To each unique color of ribbon, each blend of size and shape and strength and texture that is a Prendie girl, I say I cheer your very existence. Gather. Celebrate. Hold. Catch solar 80 energies. Out of nothing, improvise. Surf on packages, on old oak trees, on heads and hearts. Curl forward into creations. Spark with your colors your world's head work, heart work, heaven work. Out of nothing, bring ribbons of faith, of hope, of love."

"Did you understand?"

"Well, not exactly, but somewhat."

"I just mean, be your best self, for your self, your God and those you love. Ribbon adds to joy, it is alive. So in that sense, be ribbon for your world. It won't be easy, but Christians do hard things—joyfully!"

*Miss Jill Mayer*

## Coordinators

The efficiency of the school depends upon the valuable work of the coordinators. Sister Bernard Eileen always makes sure there are enough demerits to go around and manages to control all erring ways. Sister Mary Jogues babysits for hundreds of pandas and supplies tickets, but not dates, for dances. Sister Rita Small has to schedule 13,920 classes and match wits with a computer.

## Counselors Promote Career Awareness

Mrs. Maria Marino  
Coordinator of Guidance

"Shall I go away to college, stay home, how far, and WHERE?" Sister Evarista and Sister Consolata help approximately sixty-five per cent of the senior class to make these decisions. Mrs. Marino, the "Dear Abby" of Prendie, is always ready to lend an ear to all problems, as well as organize several career days. The guidance program also includes several informative assemblies concerning alcohol and drug abuse and cult involvement.

Juniors begin to think seriously about career choices with Mrs. Marino's guidance.

Therese Mulranen ponders over college information given to her by Sister Evarista.

## *School Ministry Efforts Nourish Living Faith*

A friendly smile and a ready ear await a Prendie student as she approaches the door of room 11, the new Chaplains' Office. The presence of School Minister, Father David Givey, and his four assistant chaplains, offers encouragement and direction to the Prendie community. Along with celebrating the Eucharist and hearing confessions, the chaplains organize class retreats which help students to define and strengthen their Christian commitment.

# NHS Members Share Talents

NHS members with the assistance of their moderator, Sister Catherine Regina, make a daily effort to exhibit the qualities of a Society member: character, scholarship, leadership, and service. On Prendie Day the Family Feud posed Big Sisters against Little Sisters to have some challenging fun. In November, Society members conducted tours for prospective freshmen. NHS members also share their knowledge throughout the year in the tutoring program.

““Senior Year means a step into adulthood. I realize that I am a woman with vigor, energy, love, and potential—it is a discovery of ME.

Maria Mettimano

As seniors, we become closer to our friends and teachers, our Moms and Dads. We are more mature, yet we act childish. We need the most assistance, yet we shrug it off. We feel special and we are!

Theresa Burns

On Graduation Day I will be very happy to look at all the friends I have made and to know that I was a part of Prendie, not just another student. I will realize that I have confidence to go out into the world and make a good life for myself.””

## *Forty-Five Rise to Top*

These forty-five young women represent a combination of academic excellence, creative involvement, dedication, and achievement. During their four years at Archbishop Prendergast High School, they have grown to the fullest and have proved to be an incentive to the student body. This does not mean they are "bookworms," but rather, they are young women who have realized their potential and have strived to attain their goals. APHS salutes them.

# *Installation Excitement Fills Day*

On September 24, Student Council members and the presidents of the various other organizations received their badges and pins as signs of their leadership. At this assembly, which officially opened the school year, the student leaders accepted the challenge and responsibility of their elected offices. They pledged their dedication for the up-coming 1980-81 school year. The entire student body offered their support and congratulations while looking ahead to what would surely be a happy and successful year.

## Class of '81 Rings in Final Year

It was a glorious day on October 3, 1980, when the class of 1981 received their long-awaited garnet and gold class rings. A special celebration of the Eucharist was the dawning of a day long to be remembered. In the evening, the celebration continued at the Ring Dance as the gym was alive with the sounds of WHALE. It was a spectacular day with its lovely beginning and perfect ending.

Father Givey blesses the seniors' rings as ring reps wait solemnly to distribute the treasures.

In keeping with tradition, Mrs. McCloskey is the first person to turn the ring of her daughter Joanne.

## Seniors Add New Dimensions to Prendie Day

Prendie Day, 1980, was a special day for all students as a new tradition was established. Freshman and sophomore little sisters met junior and senior big sisters as Masque & Mime members performed their rendition of "That's Entertainment." Little sisters were introduced to Prendie's organizations at displays in the gym. Big and little sisters developed new friendships at a hot dog lunch. An NHS version of Family Feud ended the day.

## Drama Group Picks on Charlie Brown

The auditorium once again resounded with music and laughter with the Prendergast/Bonner production of "You're a Good Man, Charlie Brown." Directed by David Hutchman and his assistant, senior Anne Currie, the cast performed the play featuring the popular songs, "Me and My Blanket" and "Happiness." After the sudden death of Michael McMenamin, a student at Bonner who had been chosen to play Schroeder, the cast dedicated their performances to his memory.

# *Junior Dance Will Be Remembered "Always and Forever"*

April 11, 1980, is a night to be remembered for all in the class of 1981. The Junior Dance finally came, and with it all the excitement and delight of an enchanted evening. The lights were dim in the gym as juniors rocked to the modern sounds of OAK. Some may say it was "just another dance," but the class of 1981 will remember this night "Always and Forever."

On the 7th of November, Dads learned to "rock" and "hustle" while daughters attempted the waltz and the fox-trot to the music of the CONTEMPORARIES. Even though "my princess" is growing up, she will always remain Daddy's Little Girl.

# Sounds of Christmas Echo in Hearts and Halls

Spanish Club members are busy making a pinata for their Spanish Christmas.

"Deck the halls with boughs of holly . . ." New green wreaths and bright red ribbons transformed Prendie halls as Christmas approached. Parents and students were entertained at the annual show entitled "Christmas Greetings," produced by the Chorus, Orchestra, and Folk Group. Before the Christmas break, celebration of the Eucharist and singing on the stairs at dismissal reminded everyone that Christmas is the celebration of our Lord's birth.

The Chorus sings heartily as students are dismissed, reminding everyone of the true meaning of Christmas.

Janet Ford and Monica Dunn spread their Christmas cheer with the men of St. John's Hospice.

The decorating of the halls and homerooms seems to make everyone more aware that Christmas is approaching.

*“The music on the stairs helps everyone to get into the real yuletide spirit. As the music reverberates through the hallways, one can’t help getting caught up in the winds of the holiday spirit.”*

Judy Patterson

““ Sports events bring out the terrific spirit and great enthusiasm that Prendie is made of. If you look around the Prendie community—at any pool, on any field or court—you see girls helping one another, working as a team towards a common goal, a Catholic League Championship.

Donna Marie Fiedler

Each girl on the team shares a very special relationship with her teammates. They count on one another for support even when there seems to be no pulling through. They learn how to make every game a joint effort and not an individual achievement.

Sallie Keenan

Most people don't consider cheerleading a sport; I do. I spend a lot of time exercising and thinking of new ideas. I get a great deal of satisfaction when I see the crowd getting psyched with the cheerleaders.””

# Volleyball "Whip It!"

Volleyball is an easy sport to learn but a hard one to master. Quick reflexes, agility, and precision are all important in being able to move the ball well. Coached by Miss Pattie Hyland, the team has mastered the basic skills of serving, digging, spiking, and setting up to become one of the best volleyball teams in the league.

It is possible to hit the ball while doing a back-flip!

## Club Soccer, Intramurals

The variety of Prendie's sports widened in the fall of 1980 to include Club Soccer, which will progress to league status in 1981. Under the expert coaching of Mr. Fran Farrell with the assistance of moderator, Miss Anne Condon, the team quickly made Prendie's name known in area soccer circles.

Intramural sports afford the opportunity for a large number of students to participate in competitive activities, such as softball, volleyball, basketball, archery, and bowling.

# Tennis

## "Hit Me With Your Best Shot"

With scores like "81—Love," Prendie's tennis team has proven that it has what it takes to have a very successful season. Determination and skill, along with the coaching of Miss Ilona Wolff and the inspiration of moderator, Sister Regina Edward, have all contributed to many victories for the tennis team during the 1981 season. With apparent ease the Prendie team has made it "over the net."

Tennis Team. First row: R. Murnin, J. Gardler, N. Colianni, K. Robinson, J. Senior. Second row: C. Kolhoff, J. Barr, M. Spohrer, J. Wickersham, captain. L. Tomasco, Sister Regina Edward, moderator. L. Davis. R. O'Neill, L. McGlinchey, manager. V. Ferry, C. Gormley.

Bettyann McCrossan demonstrates her mean forehand.

## Bowling "Life in the Fast Lane"

Did you have difficulty last winter locating the members of the Prendie bowling team? If so, here is a little secret. Team members could frequently be found at Gehris Bowling Lanes. There, under the direction of Miss Anne Condon, the Keglers put in long hours of practice. But those long hours (plus some prayers and a little luck) are what made Prendie bowlers a winning team.

Bowling Team. First row: C. Patota, L. Clarke, C. Carr, D. Piccone, captain. J. Tursi, S. Keenan, K. Minahan. Second row: R. Kavar, K. McIlhenney, E. Patota, E. Reardon, J. Williams. Third row: C. Baker, D. Kirk, C. DiDio, A. Cunningham, J. Bodenshtine, L. Teti, Miss Condon, coach.

Diane displays perfect style, perfect form.

## Swimming "Take Me to the River"

Sue O'Neill's expression reflects the determination of the team.

"Swimmers, take your mark . . ." Prendie's swim team has made its mark in the Philadelphia Catholic League as a team with consistent effort. Upper Darby pool was a scene of wet and utterly exhausted young women as the Pandas spent many evenings working out. Under the strategic coaching of rookie Mary Bolach and the leadership of co-captains Donna Fiedler and Gina O'Neill, the swim team has become an aquatic dynasty.

Take the Prendie plunge!

Swim Team. First row: M. Donovan, D. Fiedler, R. O'Neill, L. Dinsmore, S. O'Neill. Second row: K. Laughlin, K. McElwee, K. Stewart, M. McGeady, E. MacDonald. Third row: J. Dwyer, M. Gantz, P. Patterson. Fifth row: M. McGuire, S. McElhiney, N. Stack.

# Hockey

## "Ain't No Stoppin' Us Now"

"We are the champions"—again! On November 5 at Beaver College, the field hockey team battled Archbishop Wood to a 1-0 victory to capture Prendie's second consecutive Catholic League Title. Through the inspiration of All-Catholic captain Margie Spohrer, captain Debbie Hamson, and veteran coach, Miss Pattie Hyland, the team finished the season with an exceptional 8-0-3 record. But Panda-Power doesn't die there—hat trick in '82!

Patty Vivial fearlessly faces her opponent with teammate Margie Spohrer close behind.

Miss Hyland's determination pays off during tense moments.

All-Catholic Kate Segar anxiously awaits an onrush of players.

## Cheerleading "Jump, Shout, Boogie"

Long strenuous hours of practice enable Prendie cheerleaders to display and inspire the spirit of the school under the guidance of Sister Jean Streibig. A speciality this year was a routine to Bruce Springsteen's "Born to Run." During the summer of '80, some of the squad attended a summer camp at Millersville State College where they met and worked with cheerleaders from all over Pennsylvania to learn new ideas and improve their skills.

Sophomore Cheerleaders. First row: K. Quinn, C. Rightley, C. Lister. Second row: P. O'Neill. Third row: K. O'Brien, M. Hunt, T. Muller.

## Basketball "Big Shot"

"That's right. We bad!!" became a familiar refrain for the players on the court and their supporting spectators, as the 1981 basketball team strove for the league championship. They had a winning season with the help of coach Joe (Mr. T.) Therwanger and J.V. coach Kathy (Doc) Dougherty. Continuous dribbling, lay-ups, jump shots, and overall strategy kept the team on top and victorious over their toughest competition.

Varsity Basketball Team. First row: B. Benshetler, L. Buonanno, B. Miller, co-captain. K. Hussey, co-captain. S. Brisgone, M. Mango. Second row: Mr. Therwanger, coach. M. George, T. DeFruscio, K. Cunningham, L. Connahan, S. Kilroy, D. Yangello, K. Quigley, manager. Mrs. Doyle, moderator.

## Softball

### "Another One Bites the Dust"

"Strike three! You're out!" Sound familiar? It shouldn't. This phrase is rarely heard around the Prendie softball field. After many hours of running and fielding practice, push-ups, sit-ups, practically everything but sit-downs, the softball team contends with *phanatic phorce*. A winning outlook plus lots of spunk are the secrets of their successful season. Miss Anne Egger, coach, and Mrs. Maura Doyle, moderator, skillfully guided the team.

Jeannie's jump is all in vain

Running just isn't Nancy's style. She prefers hopping from base to base.

## Track, Cross Country "Born to Run"

"On your mark, get set, go!" Prendie's track stars are off and running toward their ultimate goal, the Catholic League Championship. Speed, skill, and determination set the pace as each girl combines her individual talents with the spirit and teamwork that has always meant success for Prendie's track team. For those who like the long run . . . Prendie's cross country team, making its debut, finished in second place in the Catholic League.

## Student Leaders Voice Thoughts

### What were your happiest moments at Prendie?

"Whether it was in the classroom, at afterschool activities, or on a fun-filled weekend, a special part of Prendie community spirit was always with me. Knowing I had friends who were as close to me as sisters, with whom I could share my innermost feelings—both good and bad—has always brought joy to my heart."

Clare Carr  
President—Chapel Aides

"Every year at Prendie has had many memorable experiences, and when I reminisce, there wasn't **one** moment that made me happy. Everything I participated in was great, mostly because of the people I met through these different activities, including the classroom. I learned to work with all kinds of people and became good friends with them."

Anne Currie  
President—Masque & Mime

"I would have to say that my happiest moments at Prendie would be the day they announced the four officers and Installation Day. I don't think there will be another time that I'll feel the same way as I did those two days, except Graduation Day! The Ring Mass was also a special time, not only for me, but for every senior."

Susan Deihl  
Vice President—Student Council

"Not only has my work in the library taught me to accept responsibility, but through it, I have met so many wonderful people. I really enjoy working with people, and in helping them I feel that I am also helping myself. I have gained a knowledge of the library in these past four years that will help me throughout my life."

Vicki Desmond  
President—Library Aides

"My first 'growth' was the realization that composing a yearbook is a very demanding task. I now realize that a yearbook is not only a book of words and pictures, but also a book of expressions and memories. In working with the staff, I have learned the value of each person. We have composed a book, but better still, we have grown as friends."

Teresa Ferrie  
Editor—Crozier

"Being a leader in this school has helped me to grow in responsibility and maturity in order to see the needs of the people I worked with. Also, through my many hours of stage crew I have acquired patience. My work has taught me that dedication is necessary in order to succeed in whatever I do."

Bernadette Gormley  
Manager—Stage Crew

### How has the experience of being a leader helped you to grow?

## Why is the Class of 1981 different from all the rest?

"The class of 1981 is close. Everyone knows everyone else and that's a rare thing in a school this size. Our class has been able to rise to every occasion and present a united front for what we believe in. In times of sorrow and joy we have been one. I am proud to be a member of the class of 1981."

Noreen Graham  
President—Chorus

"What makes the class of 1981 different? What makes us special? We are the 80's women. We are women of the future exploring everything from teaching to technology, secretarial skills to scientific spacecrafts. We shall be librarians and lawyers, mommies and maybe even millionaires. We, the class of 1981, are moving on to grow further."

Jean Kane  
President—Student Council

"We have been told countless times that the seniors set the tone. Each of us is a unique individual working separately, yet striving together, for the well-being of the entire student body. We, the class of 1981, use our position as seniors to encourage underclassmen to uphold the present traditions and continue to strive for achievement and the betterment of Prendie."

Janet Lally  
President—A-V Service

"We listen to the students and present their feelings to the administration in an effort to keep things here at Prendie running smoothly. We help out the students and faculty in any way we can and promote school spirit. In these ways we try to make our school the best it can be for everyone here in the Prendie community."

Lizanne McGlinchey  
Treasurer—Student Council

"The Miter tells some of the unique things about people we come in contact with during the school day. It gives girls a chance to express their talents in writing or drawing, as well as a chance to learn how to work on a schedule. The Miter is a good learning experience and an exciting part of our school."

Sharon McKenna  
Editor—The Miter

"Cafeteria Personnel is a very distinct organization that benefits the whole Prendie community. It is a service club that assists the well-being of those in the caf. The girls work together in a special harmony to keep order in the caf and also to keep it clean, thus making the atmosphere in the cafeteria a happy and healthy one."

Catherine McKeon  
Chairman—Cafeteria Personnel

## How do you feel your organization contributes to the well-being of Prendie?

## How can you show appreciation for your Catholic education?

*"I feel that I can show my appreciation for my Catholic education through example. I can make others realize the advantages of my education by exhibiting a good Christian attitude to them in all I do. I can do this by being more tolerant of people, more understanding and forgiving of people and their faults."*

Carol Mikusa  
Chairman—Locker Personnel

*"Putting to work what I've learned for the past eighteen years is the greatest thanks I can offer. However, I would like to thank my mom and dad for making the choice to send me to Catholic school. I could even go so far as to thank every teacher I've ever had, but most importantly I say, thank you, Jesus, for making the difference in my life."*

Marie Phillips  
President—Orchestra

*"I can show appreciation of my Catholic education by taking it seriously and getting the most out of it. Putting all I've got into it makes it all worth the while. I can show my parents how much I appreciate their sending me to a Catholic school to get a fine education by bringing home a good report card."*

Kathleen Quigley  
General Manager—Athletic Association

*"At Prendie I have been given the gifts of loyalty, responsibility, and leadership. I have acquired loyalty to God, to others, and to my own convictions. Responsibility to the activities I participated in has helped me to mature. Leadership has made me more outgoing in C.S.C., which is most gratifying for the vocation I have chosen."*

Karen Ricci  
President—C.S.C.

*"The climb to the top of the ladder of success is very strenuous, but because of the foundation of a good education and superb guidance, I can approach each rung of the ladder with confidence. Prendie has helped me to grow into a good, moral Christian woman. If I can fully achieve this goal, I will consider myself a success."*

Christine Shevlin  
Secretary—Student Council

*"Learning to work with people is one of the ways in which Prendie has helped prepare me for life after graduation. In a theatrical career, one must work harmoniously with many different types of people for the good of the production. At Prendie I have learned not to let personality conflicts interfere with achieving an ultimate goal."*

## A-V Service Video Tape Recording School Store

A great asset to faculty and students is the Audio-Visual Service Club. Members distribute and collect equipment and films, make transparencies and spirit masters, and prepare broken machines for repair service.

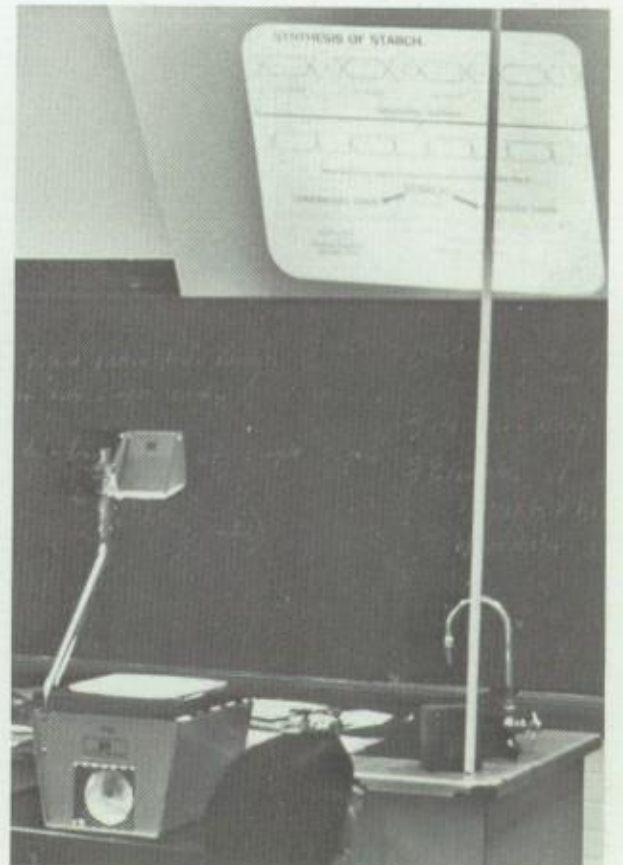

The Video Tape Recording Club is a service organization which films special events at school. Members gain experience in camera work and also learn how to operate a mini-closed circuit T.V.

Several dedicated salesgirls assist in the School Store daily. They specialize in handling last-minute shoppers.

. . . 2:41 p.m. . . . mass confusion . . . “watch my foot!” . . . “let’s get out of here!” . . . “I’m hungry” . . . “meeting in room 204” . . . “the Sharon Hill trolley comes at 2:49 p.m.” . . . “Hurry!” . . . The life of a Prendie student doesn’t end each day with the bell at 2:41 p.m. Some students rush to their lockers, shove in books and don jackets while the flow of traffic carries their struggling bodies down the corridor and out the doors amid shouts of “I’ll call you tonight” and “Do we have Spanish homework?” Then there are those girls stumbling down the halls who might as well stay the night as they spend long hours at club meetings and grueling practices. Whatever your preference, there is always something to do in the after-school hours. From part-time jobs to meetings to enjoying a hobby or just watching television, we become aware of ourselves and others as “total” women. The way that we speak, dress, and communicate has labeled us as individuals of our generation.

## Crazes Capture Teen World

Fads are big business—especially in an all-girl school. Whether it is clothes, music, or some form of entertainment, everyone wants to keep up with the styles. In the past few years, new fads such as preppie and disco, punk rock, soap operas, and smurfs have come to characterize this generation. Today's teens are a combination of everything—from sweat socks to French braids. Who knows what the next generation's popular pursuits will be?

"I want my Smurf!" says Eileen Shannon to Maureen Stack.

Tricia Sherwin intently watches another episode of "General Hospital."

Kathy Doyle and Mary Teresa De Angelis relax while listening to some tunes.

Prep vs. Disco—which are you? A prep, derived from the word *preposterous*, can be heard labeling everything as “cute” or “great.” This person can easily be found sporting the conservative, layered look of oxford blouse, wool sweater, blazer, khaki pants, sweaterpin and docksides. A disco person is much more “flashy,” wearing a bright-colored sweatshirt, baggie pants, pencil shoes, and twenty gold chains. When asked if they were prep or disco, the majority of the Prendie student body said that they were just NORMAL.

# Travel Has Global Dimensions

Carolyn Mazza and her sister Marie stand before the Colosseum on a two-week vacation to Italy in July, 1980, to visit relatives.

"I've never been out of the state of Pennsylvania!" Sound familiar? Well, it doesn't to a number of students in the Prendie community. Besides the Jersey shore, they have traveled to nearly every state, as well as to Ireland, France, Switzerland, Italy, Germany, Austria, and England. Whether in the U.S. or abroad, to visit relatives or to go sight-seeing, traveling is an invaluable way to learn and just to have fun.

Lizanne McGlinchey vacationed for ten days in August, 1980, at the Valley of Fire, outside of Las Vegas.

Patty Winner received a special 16th birthday present from her grandmother when they vacationed in France in July, 1979, for eight days.

In August of 1977, Eileen Montgomery traveled to Scotland to visit her mother's family for three weeks.

# Hobbies Fill Up Leisure Time

Whether it be riding horses, skiing, collecting dolls, climbing mountains or just watching T.V., hobbies are one's own special way to enjoy leisure time. The way in which a girl spends her time changes as she does. However, there is one hobby which has been around since the beginning of mankind, and to the end of time it will be the one *real* pursuit of high school girls—BOYS!

Patty Lynch has learned to save money by sewing her own clothes.

Tess Mowery spends her leisure time riding her horse Pete.

Anna Connor is the proud owner of an extensive Indian doll collection.

Regina Lennon owns a prized collection of ceramic dogs which was started by her father when he was a young boy and later handed down to her.

Therese Mulranen is a collector of spoons from around the world. Her collection was started by her grand-mother and later passed on to her.

## Jobs Engage Students Part-Time

"I have to get a job." Forty-five per cent of Prendie students have said this and done it. From working in McDonald's, department stores, and parish rectories, to babysitting and delivering newspapers, students develop a keen outlook on finances and learn to handle responsibility. A number of girls work to pay their tuition. Others work for personal expenses. Whatever the reason, job-holders become aware of themselves and the world around them.

Karen Dougherty delivers newspapers for the News of Delaware County.

Carol Morro works under the Golden Arches.

Katie Gaitley and her dog, Rasputin, babysit regularly for Justin Wert.

Kathy Mahony holds a part-time job as a checker at the Shop-N-Bag in Lansdowne.

## Volunteer Services Merit Fulfillment

People are always in need of a friendly smile, a warm compliment, and a helping hand. Working as volunteers in hospitals, parishes, and nursing homes is an ideal way for young Christian women to exercise their belief in the dignity of those around them and learn through the experience. Summer and winter, Prendie girls serve in many local institutions.

Karen Ricci helps out on Friday afternoons as a Red Cross volunteer at Delaware County Memorial Hospital.

Mary Hargrave can be found every Sunday at 11:00 a.m. playing the organ at Blessed Virgin Mary Church.

Clare Carr, chairperson, Roseanne McEvoy, Archdiocesan CYO vice president, and Donna Powers, chairperson, spend many hours at CYO Central in Philadelphia coordinating CYO activities on elementary and high school levels.

## Special Achievements Reflect Extra Effort

The St. Charles 1980-81 Volleyball Team won the Area Championship under the coaching of seniors Donna Benner and Regina Hooper.

Goals may sometimes be quite easy to attain and at other times not so easy. Some people are publicly recognized as possibly the next Dorothy Hamill, while others stand silently in the corner wishing they could be like Marilyn Monroe. Whatever the case, all are achievers. Young people at Prendie come to realize their talents, set goals, and go on to special achievements.

Lisa Mastrangelo received the Red Triangle Award this year from the Community "Y" for her service and leadership in "Y" programs.

Senior Margie Spohrer was named a Spectrum All-Star for 1979-80 CYO basketball.

(right) Mary Lou Wetzel and her partner placed fourth in freshman division dance of the Eastern Roller Skating Championships held last July at Spinning Wheels Arena.

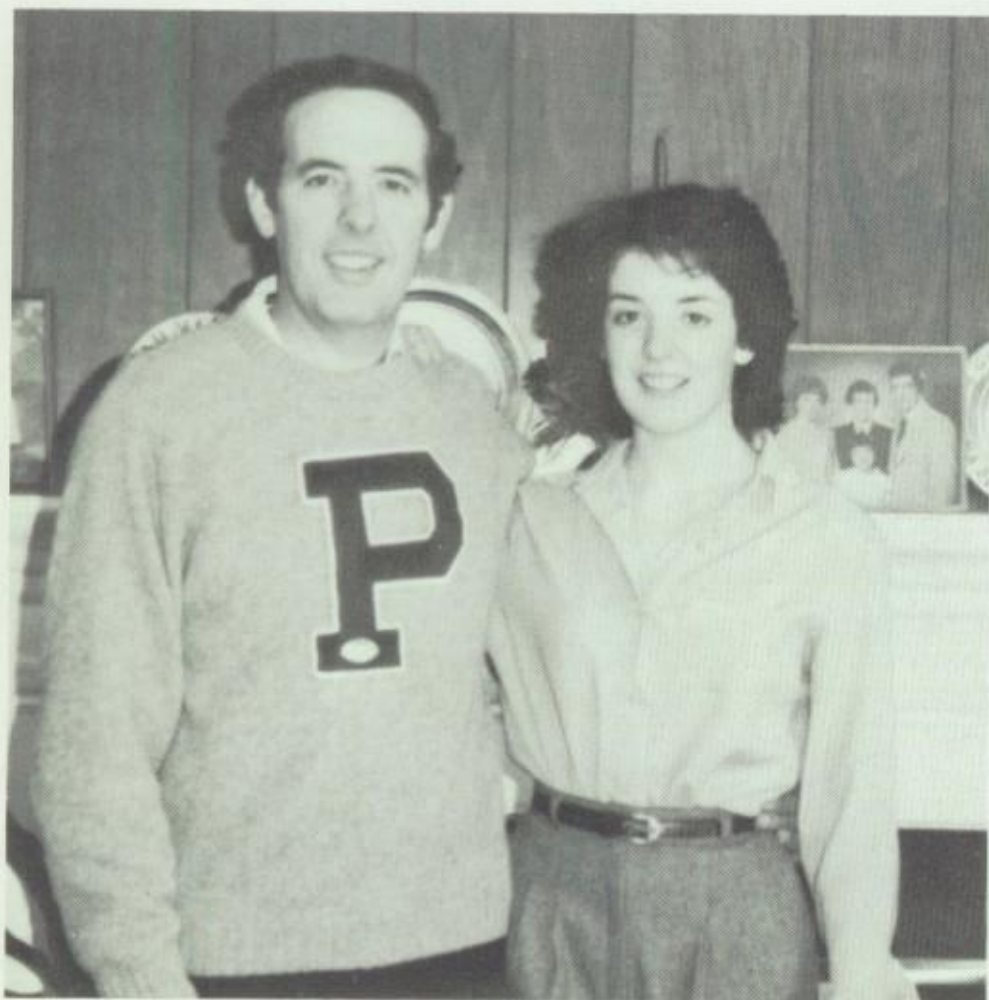

## Uniqueness Radiates in Prendie

It may appear so, but all Prendie girls are not alike. They may look the same with blue uniforms, blue socks, and saddle shoes, but inside of each body is a person—unlike anyone else. Each one is in a class of her own. APHS, through the teaching of Jesus and the dedicated faculty, helps students to develop into mature adults who are SPECIAL.

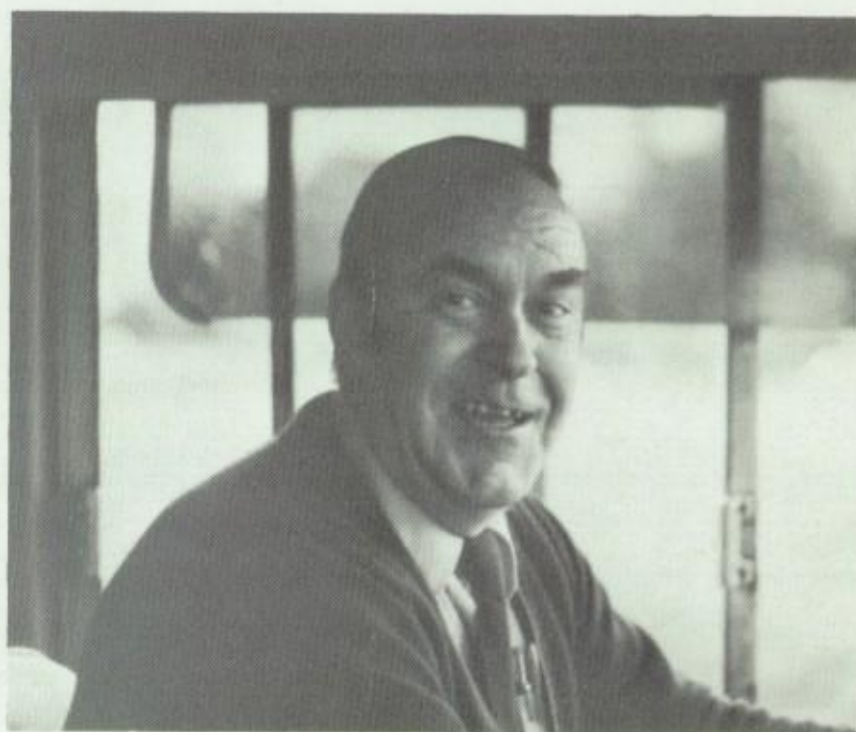

Prendie's own "Mutt and Jeff" are Kathy Carr and Catherine Rightley.

Marie Phillips flashes her Jimmy Carter smile as she meets the President in Lansdowne at her relatives' home in October, 1980.

Mr. Nicholas DeAngelis, father of Mary Teresa, attended Prendie from 1954-56 when it was a boys' school.

Jack Crooks, Septa bus driver who drives the C.S.C. busses, once attended Prendie when it was St. Vincent's Orphanage.

## Spiritual Life Permeates Student Life

Seniors reflect while on retreat at St. Joseph's Convent.

The development of one's spiritual life is a lifelong process. Like so many other facets of personal growth, it undergoes much formation during high school years. At APHS the opportunities for deepening one's relationship with God extend far beyond the classroom. Retreats, very dedicated chaplains, as well as a deeply committed faculty, and a religious atmosphere all contribute to a student's growing awareness of God's love for her and of what her title of *Christian* means.

Anxious seniors are greeted warmly by Sister Eileen Patrice.

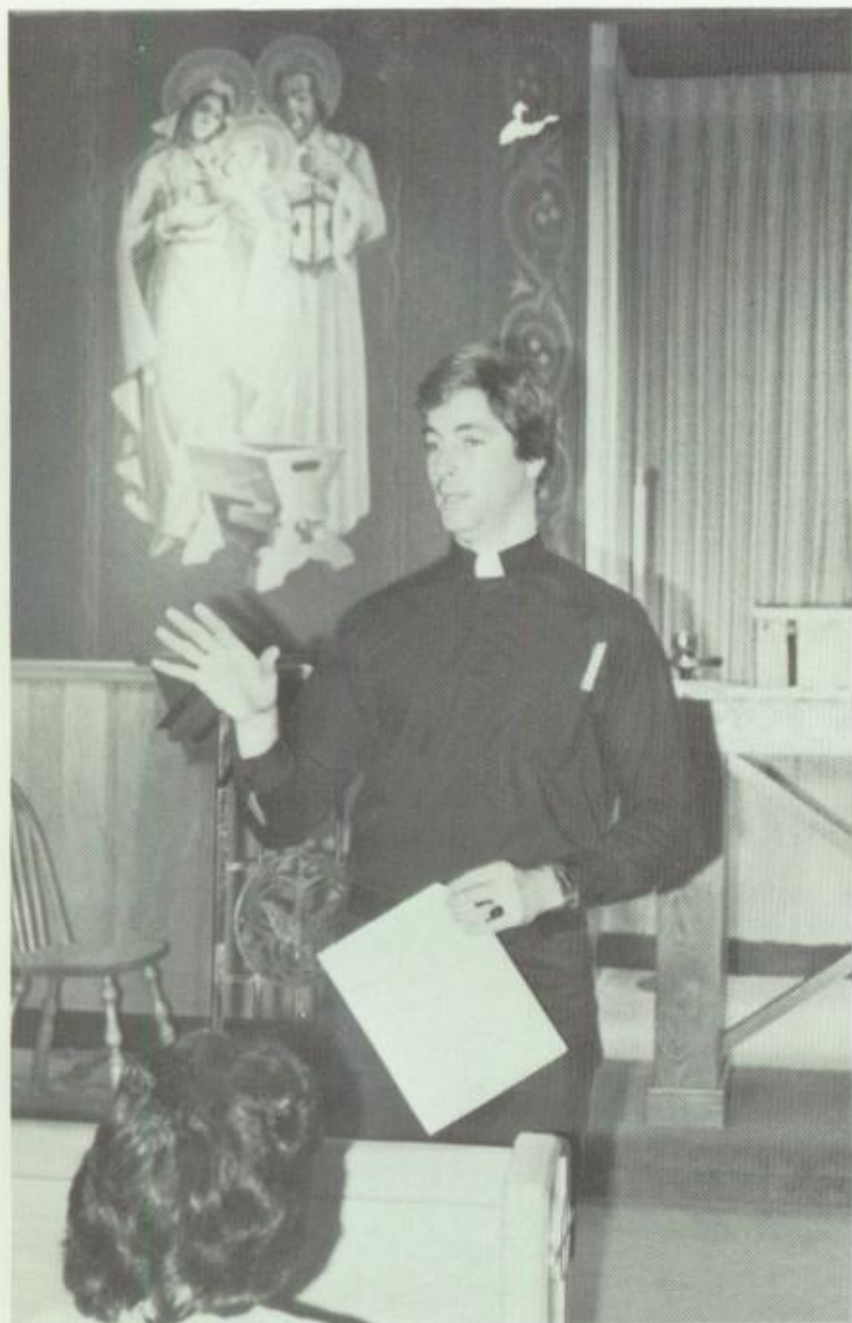

Representatives of the Prendie community rededicate their commitment to Catholic education during Catholic Schools Week.

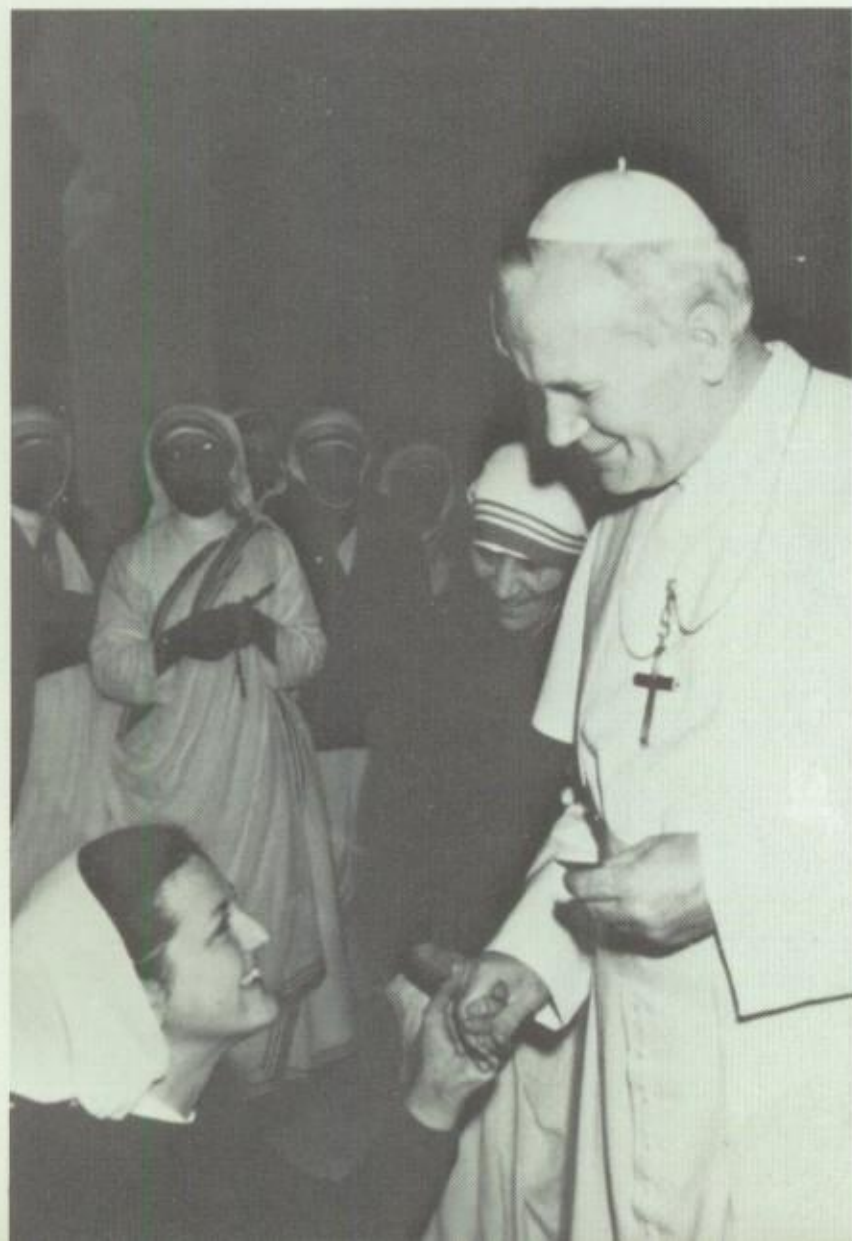

Father Givey shares a relaxing moment with seniors on retreat.

"Girls, maybe for next year's retreat, we'll spend a 'Weekend in New England.' "

Students can be found in the Chapel at the nativity scene, reflecting on the true meaning of Christmas.

Mrs. Koroly exercises her privilege of distributing Holy Communion as an extraordinary minister.
